**BY-LAWS**  
**OF THE ORANGE**  
**COUNTY COMMUNITY CORRECTIONS PARTNERSHIP**

**ARTICLE I**

NAME

The name of this organization shall be THE ORANGE COUNTY COMMUNITY CORRECTIONS PARTNERSHIP.

**ARTICLE II**

AUTHORIZATION

This organization is authorized by Penal Code Section 1229, *et seq.*

**ARTICLE III**

PURPOSE

The Orange County Community Corrections Partnership shall play a critical role in developing programs and ensuring appropriate outcomes for low-level offenders. Pursuant to Penal Code Section 1230, the Partnership shall provide advice concerning Probation's community corrections program as defined in subdivision (c) of Penal Code Section 1229 and shall recommend a local plan to the Orange County Board of Supervisors for the implementation of the 2011 Realignment Legislation addressing public safety as expressed in AB 109, AB 117 and AB 118 of 2011.

**ARTICLE IV**

MEMBERSHIP

1. The Partnership shall consist of the Chief Probation Officer, serving as the Chairperson of the Partnership and the presiding judge of the superior court, or his or her designee, a county supervisor or the chief administrative officer for the county, the district attorney, the public defender, the sheriff, a chief of police, the head of the county department of social services, the head of the county department of mental health, the head of the county department of employment, the head of the county alcohol and substance abuse programs, the head of the county office of education, a representative from a community-based organization with experience in successfully providing rehabilitative services to persons who have been convicted of a criminal offense, an individual who represents the interests of victims.

2. The Partnership shall have an Executive Committee that will serve as the voting body of the Partnership and shall be comprised of the following members: the chief probation officer of the county (chairperson), a chief of police, the sheriff, the district attorney, the public defender, one department representative from one of the following, as designated by the county board of supervisors: (1) the head of the county department of social services; (2) the head of the county department of mental health; or (3) the head of the county department alcohol and substance abuse programs.
3. The Chief Probation Officer of the County shall serve as the Chairperson of the Partnership pursuant to Penal Code section 1230(b)(2). Should the Chief Probation Officer be unable to attend a meeting, the Chief may declare and alternate to attend in his/her place pursuant to paragraph 4 below. IF an alternate attends on behalf of the Chief of Probation, the alternate shall assume the duties of Chairperson for that meeting.
4. Replacement of Partnership member:
  - a. If an Executive Committee Partnership member is unable to attend a meeting of the Partnership, he or she may designate, in writing, an alternate who shall attend on his or her behalf.
  - b. Alternates of Executive Committee Partnership members shall not have a vote on specific issues unless authorized by the Executive Committee Partnership member in writing.

## **ARTICLE V**

### **MEETINGS AND PROCEDURES**

The Partnership and its Committees shall be governed by the Brown Act and all meetings shall be open to the public.

#### 1. Regular Meetings

Regular meetings shall be set by the Partnership and are to take place quarterly on the fourth Thursday of the month of January, April, July, and October, at 2:00 p.m. unless an alternate date and time is announced in advance. The regular meeting location shall be at the Probation Department training facility, located at 1001 S. Grand Avenue, Santa Ana, California 92705, unless an alternate location is announced in advance. Any scheduled meeting may be canceled upon order or the Chair, or a majority of the Executive Committee members of the Partnership.

2. Special Meetings

Special meeting may be called at any time by the Committee Chair. Each member of the Committee shall be given adequate written notice of such meetings.

3. Quorum and Voting Procedure

- a. A simple majority of the Executive Committee members of the Partnership shall constitute a quorum for the transaction of business at any meeting of members.
- b. Decisions shall be reached through majority voting which is defined as a majority of the quorum members present.
- c. The Partnership shall use parliamentary procedures (the current edition of Robert's Rules of Order) to conduct business.

4. Setting the Agenda

The Chairperson shall approve items on the agenda. Anyone wishing to provide input shall request inclusion on the agenda no later than one week prior to the scheduled meeting.

5. Public Comments

Public comments at meetings are limited to three (3) minutes for each agenda item for individuals and five (5) minutes for each agenda item for representatives of organizations. The Chairperson has the discretion to extend the time based on the complexity of the issue.

## **ARTICLE VI**

### **COUNCILS, COMMITTEES AND TASK FORCES**

1. Standing Committees may be created by vote of the Partnership Executive Committee to perform on-going functions. The Chairperson of a Standing Committee will be appointed annually by the Partnership Chairperson and must be a member of the Executive Committee. Each Standing Committee shall report to the Partnership on a regular basis.
2. Task Forces may be formed to deal with a specific need or issue as approved by the Partnership. When their objectives are met, they will be disbanded. The Task Force Chair shall be appointed by the Partnership Chairperson.

3. Membership on Standing Committees and Task Forces may include non-voting Partnership members, technical consultants and/or citizens from the community at large.

## **ARTICLE VII**

### **AMENDMENTS**

These By-laws may be adopted, amended or repealed by a majority vote of the Partnership Executive Committee after written proposal for such action has been in the hands of the Partnership for thirty (30) days.

## FY 2017-18 Community Corrections Partnership Survey

This survey is designed to help Californians understand your efforts, goals, and successes in implementing Public Safety Realignment. The information you share will be used as the basis of the Board of State and Community Corrections' (BSCC) annual report to the Governor and Legislature on the implementation of Community Corrections Partnership (CCP) Plans as required by section (11) of subdivision (b) of Section 6027 of the Penal Code. Your responses help to illustrate how counties are allocating and using funds to reduce recidivism while keeping communities safe. We hope you will also consider answering a few optional questions to show how your county is responding to the unique needs of local offenders and what, if any, challenges have arisen and changes have resulted from those responses.

### Survey

This survey was designed by the BSCC in consultation with the Department of Finance to assist counties with reporting requirements. Counties completing the required portions of the survey will have met the report requirement. Counties that complete the survey are compensated.

The Budget Act of 2017 (AB 96, Chapter 23) appropriates \$7,900,000 to counties as follows:

*Counties are eligible to receive funding if they submit a report to the Board of State and Community Corrections by December 15, 2017, that provides information about the actual implementation of the 2016-17 Community Corrections Partnership plan accepted by the County Board of Supervisors pursuant to Section 1230.1 of the Penal Code. The report shall include, but not be limited to, progress in achieving outcome measures as identified in the plan or otherwise available. Additionally, the report shall include plans for the 2017-18 allocation of funds, including future outcome measures, programs and services, and funding priorities as identified in the plan accepted by the County Board of Supervisors.*

### Funding

Funds will be distributed by January 31, 2018 to counties that comply with all survey requirements as follows:

*(1) \$100,000 to each county with a population of 0 to 200,000, inclusive, (2) \$150,000 to each county with a population of 200,001 to 749,999, inclusive, and (3) \$200,000 to each county with a population of 750,000 and above. Allocations will be determined based on the most recent county population data published by the Department of Finance.*

### Survey Distribution

This survey has been distributed electronically to each Chief Probation Officer as CCP Chair. Each CCP Chair is encouraged to share the survey with CCP members prior to

completion and submission. Responses should represent the collective views of the CCP and not a single agency or individual.

### **Submission Instructions**

To make the survey more user friendly, the BSCC is using both Microsoft Word and Excel for a complete submittal package. **The survey consists of two (2) parts and five (5) sections:**

- Part A- to be completed in Microsoft Word  
Section 1: CCP Membership;  
Section 2: Your Goals, Objectives and Outcome Measures; and  
Section 3: Optional Questions.
  
- Part B- to be completed in Microsoft Excel  
Section 4: FY 2016-17 Public Safety Realignment Funding; and  
Section 5: FY 2017-18 Public Safety Realignment Funding.

Respondents may use spell and grammar checks for their narrative responses (Part A, Sections 1, 2, and 3) and Excel's auto-sum features when completing the budgetary questions (Part B, Sections 4 and 5). If you choose not to answer an optional question, please respond "Decline to Respond".

To produce a more comprehensive report on the implementation of realignment, we are asking for photos and quotes from program participants, if available. You do not need to provide identifying information. Please attach photos of programs in action along with a few quotes. These may be published in the *2011 Public Safety Realignment Act: Sixth Annual Report on the Implementation of Community Corrections Partnership Plans*. Please ensure any individual(s) in the photos have given their consent for use/publication.

**To submit the CCP Survey package**, as well as providing any optional photos and/or quotes, email all attachments in a single email to:

Helene Zentner, BSCC Field Representative at: [Helene.Zentner@bscc.ca.gov](mailto:Helene.Zentner@bscc.ca.gov)  
For questions, also contact at: 916-323-8631

### **Due Date**

A single completed survey package (Parts A and B) must be submitted electronically to the BSCC by **Friday, December 15, 2017**. The CCP is encouraged to collaborate on responses and the CCP Chair should submit the survey. Only one submission by a county will be accepted.

If you experience any difficulty completing this survey or need technical assistance, please contact:

Brian Wise, BSCC Associate Governmental Program Analyst  
916-341-7326 or [Brian.Wise@bscc.ca.gov](mailto:Brian.Wise@bscc.ca.gov)

Thank you.

# FY 2017-18 Community Corrections Partnership Survey PART A

## SECTION 1: CCP Membership

**Section 1 asks questions related to the CCP composition and meeting frequency. There are five (5) questions in this section.**

1. County Name: Orange County
2. Penal Code Section 1230 identifies the membership of the CCP. Provide the name of each individual fulfilling a membership role as of October 1, 2017 in the spaces to the right of each membership role. If a membership role is not filled, respond by indicating "vacant."

Chief Probation Officer	Steve Sentman
Presiding Judge of the Superior Court or designee	vacant
County Supervisor or Chief Administrative Officer or a designee of the Board of Supervisors	Todd Spitzer
District Attorney	Tony Rackaukas
Public Defender	Sharon Petrosino
Sheriff	Sandra Hutchens
Chief of Police	Todd Elgin
Head of the County Department of Social Services	Mike Ryan
Head of the County Department of Mental Health	Mary Hale
Head of the County Department of Employment	Andrew Munoz
Head of the County Alcohol and Substance Abuse Programs	Mary Hale
Head of the County Office of Education	vacant
A representative from a community-based organization with experience in successfully providing rehabilitative services to persons who have been convicted of a criminal offense	Meghan Medlin
An individual who represents the interests of victims	Ronnetta Johnson

3. How often does the CCP meet? Use an "X" to check the box to the left of the list.

<input type="checkbox"/>	Bi-weekly (every other week)
<input type="checkbox"/>	Monthly
<input type="checkbox"/>	Bi-monthly (every other month)
<input type="checkbox"/>	Quarterly
<input type="checkbox"/>	Semi-Annually
<input type="checkbox"/>	Annually
<input checked="" type="checkbox"/>	Other (please specify) <b>As Needed</b>

4. How often does the Executive Committee of the CCP meet? Use an "X" to check the box to the left of the list.

	Bi-weekly(every other week)
X	Monthly
	Bi-monthly(every other month)
	Quarterly
	Semi-Annually
	Annually
	Other (please specify)

5. Does the CCP have subcommittees or working groups? Use an "X" to check the box to the left of the list.

X	Yes
	No

If "Yes," list the subcommittees and/or working groups and the purpose.

AB109 Working Group – The CCP AB109 Working Group meets on a quarterly basis to discuss issues related to Realignment. The group has representatives from the Orange County Sheriff's Department (OCSD), Probation, Collaborative Courts, Health Care Agency (HCA), Workforce Development, Public Defender, District Attorney, Law Enforcement, Victims Services, and Community Based Organization. The Working Group's purpose is to facilitate goal development and accomplishments, create sub-groups when appropriate as needed, trouble shoot areas of challenge, and share best practices.

## SECTION 2: Your Goals, Objectives and Outcome Measures

**Section 2 asks questions related to your goals, objectives, and outcome measures. To view your responses provided in the 2016-17 survey, [click here](#).**

**For the purpose of this survey:**

- **Goals are defined as broad statements the CCP intends to accomplish.**
- **Objectives support identified goals and are defined by statements of specific, measureable aims of the goal.**
- **Outcome measures consist of the actual measurement of stated goals and objectives.**

**Example:**

<b>Goal</b>	<b>Increase substance use disorder treatment to offenders in ABC County</b>
Objective	40% of participants will complete substance use disorder treatment
Objective	100% of participants will receive screening for substance use disorder treatment
Outcome Measure	Number of participants enrolled in substance use disorder treatment

Outcome Measure	Number of participants completing substance use disorder treatment
Progress toward stated goal	Between January 2017 and October 2017, 70% of participants in substance use disorder treatment reported a decrease in the urge to use drugs. This is a 10% increase from the same period last year.

6. Describe a goal, one or more objectives, and outcome measures from FY 2016-17. If the CCP kept the same goal, objective and outcome measure from a prior fiscal year for FY 2016-17, provide that information. If no goal, objective, or outcome measure was identified, respond by indicating "Not Applicable."

<b>Goal</b>	<b>Implementation of a system that provides public safety and utilizes best practices in reducing recidivism.</b>
Objective	Expand the Day Reporting Center (DRC) to include a second DRC site in the City of Anaheim/ North Orange County.
Objective	
Objective	
Outcome Measure	Collect data on Average Daily Population (ADP) and demographics of participants.
Outcome Measure	
Outcome Measure	
Progress toward stated goal	On April 26, 2016, the Board of Supervisors approved the annual renewal of the current DRC contract with BI Inc. The contract was amended to include a provision to add a second DRC location in the City of Anaheim. While the DRC was unable to find a location in the City of Anaheim, a location was secured in the City of Westminster. The DRC contract was amended again in April 2017 and was approved by the BOS on May 9, 2017 to include a second location in Westminster.

7. Describe a goal, one or more objectives, and outcome measures from FY 2016-17. If the CCP kept the same goal, objective, and outcome measure from a prior fiscal year for FY 2016-17, provide that information. If no goal, objective, or outcome measure was identified, respond by indicating "Not Applicable."

<b>Goal</b>	<b>Creation of a centrally located Reentry Facility in Orange County to manage our additional responsibilities under Realignment.</b>
Objective	Establish a Reentry Facility in Orange County
Objective	
Objective	
Outcome Measure	Obtain grant
Outcome Measure	
Outcome Measure	

Progress toward stated goal	The County continues to move towards this goal attainment. The County applied for a Prop 47 grant to establish a Community Support and Recovery Center that will serve as a reentry center upon release from jail to offenders with mental health challenges.
-----------------------------	---

8. Describe a goal, one or more objectives, and outcome measures from FY 2016-17. If the CCP kept the same goal, objective, and outcome measure from a prior fiscal year for FY 2016-17, provide that information. If no goal, objective, or outcome measure was identified, respond by indicating "Not Applicable."

<b>Goal</b>	<b>Implementation of a system that effectively utilizes alternatives to pre-trial and post-conviction where appropriate.</b>
Objective	Successfully implement a pre-trial pilot program that utilizes evidence-based practices.
Objective	
Objective	
Outcome Measure	Obtain grant and collect recidivism data
Outcome Measure	
Outcome Measure	
Progress toward stated goal	In 2015, the Judicial Council of California awarded a grant to Orange County to establish a pre-trial pilot program. The multi-agency team, led by the OC Superior Court, includes OC Probation, OC Sheriff's, OC District Attorney, and Public Defenders Office. The pre-trial initiative was implemented in February 2016 and is called PARS – Pretrial Assessment, Release and Supervision. The court obtained grant funding through the Judicial Counsel under the Recidivism Reduction Grant. The Probation Department has on average just under 300 cases per month for assessment to PARS. An empirically developed assessment tool called the Virginia Pre-trial Release Assessment Instrument (VPRAI) is used to inform release decisions for very low risk offenders and supervision strategies for medium and high risk offenders.

9. Will the CCP use the same goals, objectives, and outcome measures identified above in FY 2017-18? Use an "X" to check the box to the left of the list.

	Yes
X	No. The CCP will add and/or modify goals, objectives, and outcome measures (continue with section 3)

10. Describe a goal, one or more objectives, and outcome measures for FY 2017-18.

<b>Goal</b>	<b>Implementation of a system that provides public safety and utilizes best practices in reducing recidivism.</b>
Objective	Expand the Day Reporting Center (DRC) to include a second DRC site
Objective	
Objective	

Outcome Measure	Collect data on Average Daily Population (ADP) and demographics of participants.
Outcome Measure	
Outcome Measure	
Progress toward stated goal	The Westminster DRC opened on September 25, 2017. Since opening, the average daily population at the Westminster DRC has been 30 and the average daily population at the Santa Ana DRC is now 70. The goal of opening a second DRC in Orange County has been accomplished.

11. Describe a goal, one or more objectives, and outcome measures for FY 2017-18.

<b>Goal</b>	<b>Creation of a centrally located Reentry Facility in Orange County to manage our additional responsibilities under Realignment.</b>
Objective	Establish a Reentry Facility in Orange County
Objective	
Objective	
Outcome Measure	List Reentry Facility as a continued Strategic Priority for 2017
Outcome Measure	
Outcome Measure	
Progress toward stated goal	The County continues to move towards this goal. The County was successfully awarded Prop 47 grant for a Community Support and Recovery Center that will serve as a reentry center for offenders with mental health challenges upon release from jail. The County went out for RFP (Sept. 20, 2017 to October 12, 2017) with all proposals due on Oct 19, 2017. The County's 2017 Strategic Priorities, lists the reentry facility, involving multiple agencies within the County, to ensure reentry services to those that who may not fall under the Community Support and Recovery Center criteria.

12. Describe a goal, one or more objectives and outcome measures for FY 2017-18.

<b>Goal</b>	<b>Provide successful transition from treatment to the community through Sober Living services.</b>
Objective	Remain sober and abstinent while in program
Objective	Link to stable housing upon completion from sober living
Objective	
Outcome Measure	95% of all participants tested negative for drugs in FY 17-18
Outcome Measure	80% of all participants shall be linked to stable housing upon completion of sober living- current data displayed in monthly reports
Outcome Measure	94% were linked to stable housing upon completion of sober living

Progress toward stated goal	In FY 18/19, HCA will release a Request for Applications will open up identify additional sober living (recovery residences) providers. Target population will include all clients involved in substance use treatment.
-----------------------------	---

### SECTION 3: Optional Questions

**Section 3 asks optional questions about evaluation, data collection, programs and services, training and technical assistance needs, and local best practices. There are 10 questions in this section. Responses will be used by the BSCC and its justice-system partners to better understand the needs of counties. If you choose not to answer an optional question, please respond “Decline to Respond.”**

13. Describe the process the CCP uses to determine potential programs and/or services for local implementation using Realignment funds?

The introduction and vetting of potential programs and/or services for local implementation utilizing realignment funds begins at the AB109 working group level. Since this group is made up of individuals who are at the forefront of delivering services/programs to the AB109 population, they are well in tune with gaps and needs. Programs and/or services are presented to fill those gaps and needs and brought forward collectively to the CCP for potential funding.

14. Does the county evaluate the effectiveness (as defined locally) of programs and/or services funded with its Public Safety Realignment allocation? Use an “X” to check the box to the left of the list.

X	Yes
	No

If yes, how?

- 1) Orange County provides transitional housing services in a sober living environment to persons recently released from correctional facilities and under the supervision of the OC Probation Department. Outcome measure data is collected from service providers.
- 2) OC Probation conducted a formal evaluation of the Orange County Day Reporting Center (DRC) which serves the AB109 population: recidivism outcomes of DRC participants discharged in the program’s first two years (DRC Cohort) were compared with the outcomes for a matched group of non-DRC individuals (Control Cohort) released from prison or jail.

15. Does the county consider evaluation results when funding programs and/or services? Use an “X” to check the box to the left of the list.

X	Yes
	No

If yes, how?

The County's Board of Supervisors are provided with metrics when programs/services and contract renewals come before them for approval. This information is used to ensure that funding is directed to result oriented programs/services.

16. Does the county use [BSCC definitions](#) (average daily population, conviction, length of stay, recidivism, and/or treatment program completion rates) when collecting data? Use an "X" to check the yes or no box to the left of the list, as applicable.

Yes	No	
X		Average daily population
X		Conviction
X		Length of stay
X		Recidivism
X		Treatment program completion rates

17. What percentage of the Public Safety Realignment allocation is used for evidence-based programming (as defined locally)? Use an "X" to check the box to the left of the list.

	Less than 20%
	21% 40%
	41% 60%
	61% 80%
X	81% or higher

18. We would like to better understand your county's capacity to offer mental health, substance use disorder, behavioral health treatment programs, and/or other services? What type and level of services are now available?

Behavioral health services are offered through the County's Health Care Agency (HCA). HCA is responsible for services to the Severely and Persistent Mentally Ill (SPMI) population. The County offers five outpatient clinics and seven Full Service Partnerships (FSP) accessible in the various regions of Orange County. The County has staff and one FSP designated to work with SPMI AB109 clients. A psychiatrist assists AB109 clients with mild to moderate mental illness transitioning from incarceration to the community with medication until they can connect to a community provider. For individuals in crisis the County has a crisis stabilization unit along with crisis residential program. Emergency shelter beds are available to SPMI clients experiencing homelessness, and may stay up to four months.

Substance Use Disorder (SUD) along with those with co-occurring mental illness is a large part of our AB 109 population. To address SUD, HCA offers a continuum of services, that includes, medical and social model detox, residential treatment, outpatient treatment, sober living, medication assisted treatment and methadone maintenance and detox.

Orange County has opted in to the State's Drug Medi-Cal (DMC) pilot program. DMC will change the delivery of services to persons with SUD who have Medi-Cal. During the County's planning process, a number of new providers have been identified and have started the process of becoming a DMC certified program. The increased number of providers of residential treatment and detox will increase the County's bed inventory. As

a result of the increased inventory of beds, there is the potential to have treatment on demand.

19. What challenges does your county face in meeting these program and service needs?

Overall, accessibility to mental health services is readily available. This is partly due to the leveraging of Prop 63 funds (Mental Health Services Act, 2005) and other funding to create services and increase capacity.

However, access to SUD residential services remains difficult. Last year, the County lost one of its large residential detox and treatment providers. Waitlists for residential services have increased up to two months before a person can enter treatment. The County's current providers are maxed out and despite available funding the County lacks new providers. To address this issue, clients are placed in sober living and linked to outpatient treatment, while waiting for a bed to open up. Due to the increased use in sober living, wait times went from no wait to a few weeks. Nonetheless, this alternate method has proven to be effective. Occasionally, outpatient treatment, through sober living, is enough and the client no longer needs residential treatment. Previously, sober living providers only worked with clients who had successfully completed residential treatment and were more stable. But providers have expanded their capacity to address the demand.

20. What programmatic changes and/or course corrections have you made in the implementation of Public Safety Realignment that you believe other counties would find helpful?

In October 2017, HCA and Probation agreed to expand sober living services to persons on probation who successfully completed treatment. Expanding accessibility to sober living has the potential of having a very positive impact on clients and overall the community. Clients in residential treatment often have lost everything, including a place to live. Sober living will provide the additional support, along with outpatient treatment, to help the client secure employment, save money, and re-acclimate back into the community.

21. Describe a local best practice or promising program that has produced positive results. If data exists to support the results, please share.

### Treatment Outcomes

AB109 offenders that participated in HCA mental health treatment spent fewer days in psychiatric hospitals, and were less likely to be incarcerated or homeless at discharge. There were also improvements in employment and school enrollment.

AB109 offenders that participated in SUD treatment showed large reduction in all criminal justice indicators, as well as reductions in number of visits to the ER for mental health issues and serious family conflict. There were also improvements in employment and abstinence from alcohol and drug use, as well as an increase in the use of recovery networks. Roughly one-third of AB109 offenders that participated in SUD treatment who were initially homeless gained housing (independent or dependent) by discharge.

At intake, AB109 offenders had lower motivation than clients receiving SUD treatment nationwide, and motivation scores were slightly higher than or comparable to the average Orange County SUD client. After receiving treatment, AB109 offenders showed comparable motivation to other clients in the county, and higher motivation than SUD clients nationwide. At discharge, AB109 offenders also reported higher levels of peer support within their program and social support outside of treatment, which is comparable to Orange County and national norms for those indicators.

AB109 offenders' score of self-harm were low, and scores decreased over the course of treatment. The most common harmful behaviors were drug or alcohol abuse, and /or engaging in an abusive relationship. Psychiatric symptomatology was low throughout treatment. While there was an initial increase in psychiatric symptoms after entering treatment, over time, AB109 offenders showed reductions in the severity of their psychiatric symptoms.

Surveys and tools used during the evaluation are:

- MacArthur Community Violence Instrument – Examines instances of harm to others and victimization
- Modified Self-Harm Inventory – A modified version of the original 22-item self-help inventory, helps to examine how frequently clients participate in self-harm behaviors
- Modified Colorado Symptom Inventory – Examines psychiatric symptomatology
- California Outcome Measure System (CalOMS) – Collect client demographic information, along with outcome data (e.g. substance use frequency, criminal involvement, hospitalizations, homelessness, employment and education, family and social functioning, etc.)
- HCA Caminar database
- Client Evaluation of Self at Intake & Discharge (CESI & CEST) – Administered in substance use treatment, these tools assess clients' motivation for treatment, engagement in treatment, counseling rapport, and peer and social support.

PART B**

**SECTION 4: FY 2016-17 Public Safety Realignment Funding Allocation**

Section 4 contains questions related to the allocation of FY 2016-17 Public Safety Realignment dollars. There are three (3) questions in this section.

When answering these questions, consider the total funds received in FY 2016-17, which should include 2015-16 growth and 2016-17 programmatic funding.

[To view your response provided in the 2016 survey, click here.](#)

Responses are captured in the Individual County Profile section of the "2011 Public Safety Realignment Act: Fifth Annual Report on the Implementation of Community Corrections Partnership Plans."

County Name: **ORANGE**

25. Of the total funds received in FY 2016-17, how did the CCP budget the allocation? Input the total allocation in the cell above the table. Within the table, identify where funds were allocated to, and include if you are using any carry-over funds and/or if you are putting any funds into a reserve fund. Please correct the information provided if there is a difference showing between the stated total allocation and the calculated amount (directly below the table). Differences will automatically display in **red**.

- Total number of PC 1170 (h) offenders (non-violent, non-serious, non-sex offenders) sentenced to the Orange County Jails as a new commitment. Includes both straight and split sentences.

- Total number of Post-Release Community Supervision offenders booked on a 1) PC 3454(c) flash incarceration; 2) PC3455 (a) – revoked for technical violation; and 3) for new charges.

- Total number of state parole violators booked on a 1) PC3056(a) parole violation only; 2) received jail time as a result of a parole revocation hearing; and 3) any new offense(s) including 1170(h) charges.

In the third quarter, the overall number of Postrelease Community Supervision, Mandatory Supervision, and parole cases increased approximately 5% from the second quarter of 2017. The number of contested hearing remained steady.

The Public Defender's office continues to staff the Realignment client population with three regularly assigned attorneys, two resource service paralegals, an attorney clerk and a staff specialist. In addition, non-dedicated staff assist with investigations and clerical needs. A writs lawyer also dedicates a significant amount of time assisting lawyers in litigating important issues on behalf of Realignment clients.

Below are examples of the work completed by the Realignment Team from July through September 2017:

PCS Cases Opened	MS Cases Opened	Parole Cases Opened	Total Court Appearances (includes PCS, MS and Parole)	Contested Hearings
438	208	175	1,578	19

In addition to handling the above matters, the Realignment team of attorneys have been active in filing Proposition 47 petitions to reduce felony convictions to misdemeanors. This quarter, **501** petitions were filed, with significant benefit to the clients.

The Public Defender's Office continues to assist in the reduction of recidivism. To this end, two dedicated resource paralegals work closely with clients helping them acclimate in society after release from prison. The Public Defender resource paralegals continue to collaborate with OC Probation, the Division of Adult Parole Operations (DAPO) of the California Department of Corrections and Rehabilitation (CDCR), Sheriff's Department (OCSD), and Health Care Agency (HCA). On a weekly basis, they visit the day reporting centers run by OC Probation and DAPO. In addition, they work with the OCSD on the re-entry program to further assist clients in connecting with services.

Again this quarter, the resource paralegals partnered with "Project Kinship," a non-profit organization helping to ensure Medi-Cal, General Relief, and food stamp benefits for the clients. Project Kinship representatives generally accompany paralegals on visits, and guide clients in submitting Medi-Cal applications, and other forms of assistance. This has helped with the sometimes arduous application process.

Below is a glimpse of the amount of work and types of services provided to parole and PCS clients by the resource staff for the third quarter of 2017:

Client Jail Visits	Client Program Visits	Phone Calls (to/from clients)	Program and service referrals	Obtaining Valid Forms of Identification

**Set Court Proceedings**

**PCS Proceedings**

Post Release Community Supervision proceedings were up 25% in the 3<sup>rd</sup> quarter of 2017 as compared to the same time frame of last year.

Current 2017 statistics for PCS proceedings indicate that the OCDA will appear in 23% more proceedings as 2016 statistics.

We are projected to appear in more Post Release Community Supervision proceedings than our previous high of 3715 in 2014.

**MSV Proceedings**

Mandatory Supervision Violation filings have increased by 4% in the 3<sup>rd</sup> quarter of 2017 as compared to the same time frame of last year.

Current 2017 statistics for MSV proceedings indicate that the OCDA appeared in 7% more proceedings than in 2106.

It seems we have reached a plateau in relation to filings, proceedings, and dispositions.

**Data Sources**

The Office of the District Attorney (OCDA) tracks filings for Mandatory Supervision Violations in the DA Complaint Management System (CMS). This includes cases that go to warrant. However, resources are not available to track all filings for Post Release Community or Parole Violations; therefore, these numbers can only be estimated. The OCDA does track all proceedings/hearings scheduled for these AB 109 Violations.

The Central Justice Center handles all the Post Release Community Supervision (PCS) Violations. The PCS proceedings are heard in C58 on Wednesdays. They are also heard in CJ1, when defendant is in custody. There exists a backlog of PCS Violations dating back to 2013. The OCDA continues to develop tracking procedures for PCS Violations. Cases are most often not entered into the OCDA's CMS until a hearing is set. Cases are updated as new hearings are scheduled and dispositions and sentences are being entered into CMS.

Mandatory Supervision Violations (MSV) are heard in all courts. MSV hearings are part of the data exchange with VISION and are included in the automated data exchange between the OCDA and the Courts. Cases are updated as new hearings are scheduled and dispositions and sentences are being entered into CMS.

Parole Violations are heard at the Central Justice Center. They are heard in CJ1 on Thursdays. Cases are only entered into the OCDA's CMS once a hearing is set. Cases are updated as new hearings are scheduled and dispositions and sentences are being entered into CMS. We are aware of a lag in 2016 of entering parole violations. We are working on correcting the issue.

**Behavioral Health Services:**

HCA continues to partner with Probation by providing behavioral health assessments, referrals and services. Of the referrals received from probation this quarter, 90% were assessed by HCA’s AB 109 screening team. A total of 787 assessments were conducted this quarter of which 551 referrals were made for services. 376 or 68% of referrals made resulted in admissions. When a participant does not enroll in services probation is notified and the AB 109 behavioral health team works with the probation officer and the client to engage into appropriate services.

Outpatient substance use treatment continues to be the most frequent treatment referral with 46% of referrals made for this service. 9% of the referrals were mental health referrals, 15% were residential substance use treatment, 17% were sober living, 9% were detox, and 4% Medication Assisted Treatment.

Residential Treatment Services continues to be the only service that is difficult to access. There is approximately a five week wait time for AB 109 clients to enter residential treatment. Clients waiting for residential treatment are offered outpatient services, and a program is structured to meet the client’s treatment needs. If housing is an issue, clients are referred to sober living and are required to actively participate in outpatient services. To ensure a successful transition, clients are also offered Medication Assisted Treatment (MAT). 54% of the sober living referrals made were for short term stays pending residential treatment admission. This method has proven effective as 85% of the referrals made for residential treatment services did result in an admission.

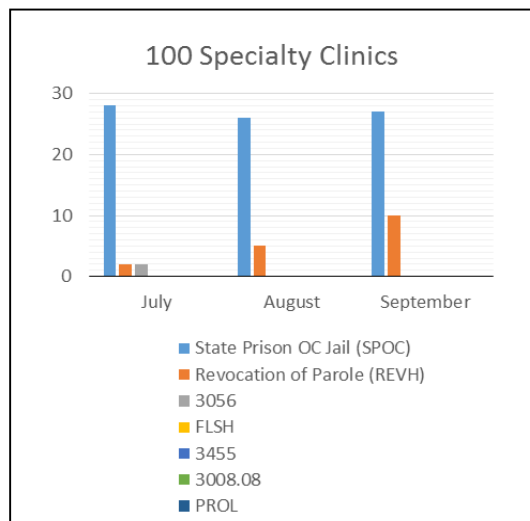

**Correctional Health Services:**

Partnering with BHS, Correctional Health staff administered Vivitrol to twelve (12) inmates prior to their release. Coordinated follow-up is arranged for these individuals to receive additional injections post-release via BHS out-patient services.

Fifteen (15) AB 109 inmates were either hospitalized or treated in the Emergency Department. This is a decrease from the previous quarter reflecting twenty-six (26) inmates.

All primary care physician services are provided within the jail; however, when an AB 109 inmate needs specialty services, they are transported to specialty medical clinics off-site (such as, Cardiology, Nephrology, Oncology, OB, Surgery, etc.). There are currently nearly 26 specialty clinic services available with 100 clinic visits completed during the 3rd quarter of 2017 for AB 109 inmates specifically. This equates to approximately 17% of specialty clinic services business—with only 11% of the total jail population being AB 109 status.

In-custody Correctional Health Services triages and screens every AB 109 inmate in the jail to determine their medical and mental health needs and subsequent treatment and medication plan. The volume of patients is reflected in the Sheriff's section of this report, as all in-custody inmates on the Sheriff's census are also managed by in-custody healthcare staff.

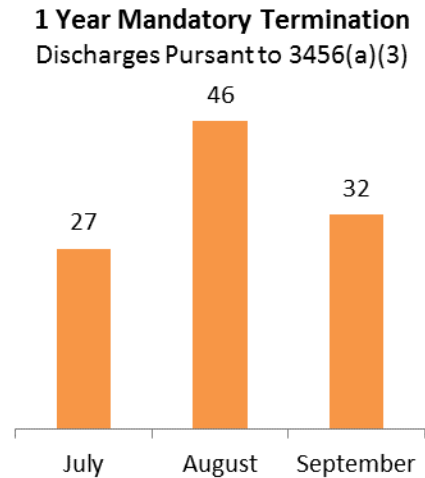

Since the inception of AB109 through September 30, 2017, 7,057 former state prisoners have been supervised by OC Probation.

**Postrelease Community Supervision**

Compared to the second quarter of 2017, there was a 2% increase in the number of actively supervised individuals in the third quarter of 2017.

PCS individuals without custodial sanctions are mandatorily discharged after one year. During the third quarter of 2017, a total of 105 individuals were released on one year mandatory terminations.

**Local Law Enforcement Collaboration**

The OC Probation Department continues to partner with the Orange County Sheriff’s Department by providing a dedicated OCPD Deputy Probation Officer for their Special Enforcement Bureau Tactical Apprehension Team (TAT). This team actively pursues fugitives utilizing surveillance and other investigative tools.

During the third quarter, TAT made a total of 15 arrests of AB109 individuals. The team also completed 58 field searches during their investigations.

**Mandatory Supervision**

*Individuals with MS Convictions from October 1, 2011 through September 30, 2017 = 3,406*

Mandatory Supervision (MS) individuals are offenders sentenced under PC § 1170(h) who receive jail time followed by supervision. During the third quarter of 2017, 90 individuals were sentenced to MS. As of September 2017, OC Probation supervises a total of 828 individuals, 471 are actively supervised while 357 individuals are on active warrant. In addition, 163 individuals were sentenced but are still in Orange County Jails – once released, they will be supervised by OC Probation.

During this quarter, 85 individuals exited from the DRC. Of the 15 satisfactory discharges, 6 completed all three phases, 4 obtained full-time employment, and 5 reached their mandatory discharge date. Fifty-nine exited unsatisfactorily due to non-compliant behavior – i.e. non-attendance, absconded supervision, tested dirty, received custodial sanctions, committed law and other violations. Finally, 11 individuals exited no-fault, the majority of whom were referred to other treatment (residential drug treatment; medical/mental health treatment) services more suited to their needs.

- Total number of state parole violators booked on a 1) PC3056(a) parole violation only; 2) received jail time as a result of a parole revocation hearing; and 3) any new offense(s) including 1170(h) charges.

In the fourth quarter, the overall number of Postrelease Community Supervision (PCS), Mandatory Supervision (MS), and parole cases remained fairly steady. The number of contested hearings remained steady, as well.

The Public Defender's office continues to staff the Realignment client population with three regularly assigned attorneys, two resource service paralegals, an attorney clerk, and a staff specialist. In addition, non-dedicated staff assist with investigations and clerical needs. Lawyers from the Writs & Appeals Unit are also available to assist lawyers in litigating important issues on behalf of Realignment clients.

Below are examples of the work completed by the Realignment Team for the Fourth Quarter of 2017:

PCS Cases Opened	MS Cases Opened	Parole Cases Opened	Total Court Appearances (includes PCS, MS and Parole)	Contested Hearings
442	188	137	1,407	18

In addition to handling the above matters, the Realignment team of attorneys have been active in filing Proposition 47 petitions to reduce felony convictions to misdemeanors. This quarter, 582 petitions were filed, with significant benefit to the clients. The team has also filed for dismissals and reductions of certain marijuana charges pursuant to Proposition 64 with a total of 244 petitions filed.

The Public Defender's Office continues to assist in the reduction of recidivism. To this end, two dedicated resource paralegals work closely with clients helping them acclimate in society after release from prison. The Public Defender resource paralegals continue to collaborate with OC Probation, the Division of Adult Parole Operations (DAPO) of the California Department of Corrections and Rehabilitation (CDCR), Sheriff's Department (OCSD), and Health Care Agency (HCA). On a weekly basis, they visit the day reporting centers run by OC Probation and DAPO. In addition, they work with the OCSD on the re-entry program to further assist clients in connecting with services.

Again this quarter, the resource paralegals partnered with "Project Kinship," a non-profit organization helping to ensure Medi-Cal, General Relief, and food stamp benefits for the clients. Project Kinship representatives generally accompany paralegals on visits, and guide clients in submitting Medi-Cal applications, and other forms of assistance. This has helped with the sometimes arduous application process.

Below is some information regarding the amount of work and types of services provided to parole and PCS clients by the resource staff for the fourth quarter of 2017:

**PCS Proceedings**

Post Release Community Supervision proceedings were up 29% in the 4<sup>th</sup> quarter of 2017 as compared to the same time frame of last year.

Current 2017 statistics for PCS proceedings indicate that the OCDA will appear in 26% more proceedings as 2016 statistics.

We are projected to appear in more Post Release Community Supervision proceedings than our previous high of 3716 in 2014.

**Data Sources**

The Office of the District Attorney (OCDA) tracks filings for Mandatory Supervision Violations in the DA Complaint Management System (CMS). This includes cases that go to warrant. However, resources are not available to track all filings for Post Release Community or Parole Violations; therefore, these numbers can only be estimated. The OCDA does track all proceedings/hearings scheduled for these AB 109 Violations.

The Central Justice Center handles all the Post Release Community Supervision (PCS) Violations. The PCS proceedings are heard in C58 on Wednesdays. They are also heard in CJ1, when defendant is in custody. There exists a backlog of PCS Violations dating back to 2013. The OCDA continues to develop tracking procedures for PCS Violations. Cases are most often not entered into the OCDA's CMS until a hearing is set. Cases are updated as new hearings are scheduled and dispositions and sentences are being entered into CMS.

Mandatory Supervision Violations (MSV) are heard in all courts. MSV hearings are part of the data exchange with VISION and are included in the automated data exchange between the OCDA and the Courts. Cases are updated as new hearings are scheduled and dispositions and sentences are being entered into CMS.

Parole Violations are heard at the Central Justice Center. They are heard in CJ1 on Thursdays. Cases are only entered into the OCDA's CMS once a hearing is set. Cases are updated as new hearings are scheduled and dispositions and sentences are being entered into CMS. We are aware of a lag in 2016 of entering parole violations. We are working on correcting the issue.

**Behavioral Health Services:**

HCA continues to partner with Probation by providing behavioral health assessments, referrals and services. Of the referrals received from probation this quarter, 90% were assessed by HCA’s AB 109 screening team. A total of 854 assessments were conducted this quarter of which 634 referrals were made for services. 398 or 63% of referrals made resulted in admissions. When a participant does not enroll in services probation is notified and the AB 109 behavioral health team works with the probation officer and the client to engage into appropriate services.

Outpatient substance use treatment continues to be the most frequent treatment referral with 47% of referrals made for this service. 10% of the referrals were mental health referrals, 13% were residential substance use treatment, 16% were sober living, 8% were detox, and 6% Medication Assisted Treatment.

Residential Treatment Services continues to be the only service that is difficult to access. There is approximately a six to eight week wait time for AB 109 clients to enter residential treatment. Clients waiting for residential treatment are offered outpatient services, and a program is structured to meet the client’s treatment needs. If housing is an issue, clients are referred to sober living and are required to actively participate in outpatient services. To ensure a successful transition, clients are also offered Medication Assisted Treatment (MAT). 51% of the sober living referrals made were for short term stays pending residential treatment admission. This method has proven effective as 81% of the referrals made for residential treatment services did result in an admission.

**Correctional Health Services:**

Partnering with BHS, Correctional Health staff administered Vivitrol to fourteen (14) inmates prior to their release. Coordinated follow-up is arranged for these individuals to receive additional injections post-release via BHS out-patient services.

Thirteen (13) AB 109 inmates were either hospitalized or treated in the Emergency Department. This is a decrease from the previous quarter reflecting fifteen (15) inmates.

All primary care physician services are provided within the jail; however, when an AB 109 inmate needs specialty services, they are transported to specialty medical clinics off-site (such as, Cardiology, Nephrology, Oncology, OB, Surgery, etc.). There are currently nearly 26 specialty clinic services available with 92 clinic visits completed during the 4<sup>th</sup> quarter of 2017 for AB 109 inmates specifically. This equates to approximately 14% of specialty clinic services business—with only 11% of the total jail population being AB 109 status.

**NOTES:**

- [1] FY 2017/18 amount based upon current estimates provided by California State Association of Counties.
- [2] Amount estimated for FY 2018/19 obtained from the Governor's Proposed State Budget issued January 10, 2018. Acct #5196, subaccount 3223 & 3233.
- [3] Amounts estimated for Growth Funds are net of the 10% transfer into the Local Innovation Subaccount per Government Code section 30029.07
- [4] Amounts allocated to Local Law Enforcement based on the average number of reported PCS for calendar year 2017 based on OC Probation AB109 Monthly Stats for the period of January 2017 to December 2017. Allocation is calculated for those offenders pertaining to Orange County only.
- [5] Amounts for HCA In-Custody and Post-Custody have been combined per discussion with the Health Care Agency and to be consistent with other department's allocations. For reference, the allocation approved for FY 17/18 was 12% In-Custody (\$9.5M Base, \$.7MK Growth) and 9% Post-Custody (\$7.1M Base, \$.5M Growth).

**Option #1 Details:**

The allocation of Growth Funds adjusted to be consistent with the percentage used to allocate Base funds increases:  
 Net impact to County is a shift of \$58K from the County to Local Law Enforcement.  
 The increase in CEO/CCP Coordinator/Support is to provide funding in anticipation of special requests or one-time items approved by CCP Committee.  
 Note: The amount allocated for the CEO/CCP Coordinator/Support is used to reimburse actual expenditures incurred and claimed. Amounts not used are carried forward for use in future years.

**2011 Public Safety Realignment  
Proposed Budget  
FY 2018/19**

**FY 18/19 Budget Option #2:**

**Adjusts the allocation of Growth Funds to be consistent with the percentage used for the allocation of Base Funds for Local Law Enforcement and CCP Coordinator.  
Sets aside funding for Reentry Services.**
