The Public Defender's Office continues to assist in the reduction of recidivism by identifying and removing re-entry barriers within our Realignment client population. The Public Defender's Office Recidivism Reduction Unit (RRU) consists of attorneys, resource paralegals, Recidivism Reduction Advisors (RRA), and support staff. The RRU team is dedicated to creating improved opportunities for housing, education, employment, and mental health and substance abuse treatment services in order to assist our realignment population in acclimating back into society upon their release from custody.

With respect to our AB 109 population specifically, the overall number of Post-release Community Supervision (PCS), Mandatory Supervision (MS), parole cases, and contested hearings continues to fluctuate.

During this first quarter of 2023, the Public Defender's Office handled the following AB 109 matters:

PCS Cases Opened	MS Cases Opened	Parole Cases Opened	Total Court Appearances (includes PCS, MS and Parole)	Contested Hearings
506	107	90	1405	43

Recidivism Reduction Unit

The Public Defender's Recidivism Reduction Unit works closely with our AB 109 clients in order to determine their individual needs and to identify individual barriers to re-entry. Our RRAs have continued to meet with in-custody clients for the purpose of conducting comprehensive life interviews that help identify any obstacles in finding housing, employment, and mental health and substance use disorder (SUD) services. RRAs then collaborate with other County agencies, including the Probation Department, Health Care Agency, and the Orange County Sheriff's Department, to improve the delivery of necessary services.

For our in-custody AB 109 clients who suffer from SUDs, our RRAs continue to conduct assessments using the ASAM tool to determine the client's necessary level of treatment. RRAs then work with Health Care Agency to secure appropriate treatment options. Our RRAs also access the State Automated Welfare System and CalWIN to determine if clients receive any benefits, such as Medi-Cal, CalWORKs, CalFresh, or general relief. For our in-custody SUD clients who do not actively receive Medi-Cal, and for those who are in need of a CalOptima-funded-bed, our RRAs refer them to our community partner, Project Kinship. Project Kinship then meets with the client, while they are still in-custody, and assists the client in applying for Medi-Cal prior to their release.

For our in-custody AB 109 clients who suffer from mental illness, our RRAs link them directly with Correctional Health Service's (CHS) Jail to Community Re-entry Program (JCRP). Our clients are then assessed by correctional mental health staff and are provided access and linkage to behavioral health and supportive services. This is just another example of how the RRU works with community partners and other agencies to resolve re-entry obstacles, decrease recidivism, and increase community safety.

Orange County Public Defender's Office
Martin Schwarz, Public Defender

Our RRAs also assist our AB 109 clients with transportation, transitional housing, SSA benefits, Medication-Assisted Treatment (MAT), and locating inpatient and outpatient SUD programs. Our clients' needs are unique and varied. Because of this, our RRAs work alongside our resource paralegals and support staff to provide a variety of resources. At times, our RRU team assists our clients at a very basic level, providing food and clothing. Often our clients have more complicated needs, which require additional assistance. This assistance can include:

- Obtaining vital records such as identification, driver's licenses, and birth certificates.
- Helping clients enroll in programs for family reunification services.
- Acquiring immigration documents to help clients obtain citizenship.
- Helping clients obtain government assistance, including General Relief benefits, food stamps, and Medi-Cal.
- Assisting clients with receiving mental health services.
- Helping clients receive veteran benefits and assistance.
- Helping client locate educational opportunities, professional licensing or vocational schools.

In addition, the RRU's New Leaf program assists clients with legal barriers, in order to increase opportunities in employment, professional licensing, and consumer credit. Our attorneys and paralegals collaborate with community organizations and community supervision to provide on-site legal advice on how to take advantage of motions and petitions offered within our New Leaf Program and to provide participants with the resources listed above. Our attorneys and paralegals provide weekly on-site assistance at Project Kinship, and our paralegals provide assistance three times a month at different parole and probation day reporting centers within the county. During this quarter, our office's collaboration with Orange County Sheriff's inmate services and correctional programming has resumed. Our attorneys and paralegals regularly meet with inmates housed in the Transitional Age Youth (TAY) and HUMV units as well as inmates participating in the "All In" program. Our attorneys and paralegals provide advice and guidance related to navigating the criminal justice system, successfully completing post-incarceration supervision, employment skills such as interviewing skills and resume building, child support, and our New Leaf Program resources.

During this quarter, our RRU team has actively filed the following motions and petitions:

- Penal Code 1203.4 motions requesting felony and misdemeanor convictions be set aside and dismissed from the client's record.
- Petitions for Certification of Rehabilitation requesting a full pardon from the Governor.
- Petitions to dismiss and seal convictions related to loitering with the intent to commit prostitution, pursuant to Senate Bill 357
- Petitions to terminate sex offender registration, pursuant to Senate Bill 384

Orange County Public Defender's Office
Martin Schwarz, Public Defender

These motions and petitions are of significant benefit to our clients as they eliminate or reduce obstructions to employment opportunities.

In the 1st quarter of 2023, our RRU team has handled the following contacts:

Client Contacts	Program and Service Referrals	Obtaining Vital Records	Motions/Petitions Filed
5730	165	508	542

With the assistance of the Public Defender's RRU team, Realignment clients continue to make significant progress towards creating stability by learning life skills, obtaining employment, locating housing, and receiving treatment for substance use disorders and mental health diagnosis, thereby reducing recidivism and increasing public safety.

Total Population Analysis
