PROBATION-MARKED FIELD JACKETS AND POLOS

AUTHORITY: Administrative Directive

RESCINDS: Procedure Manual Item 1-4-112, dated 04/27/21 (Recertified)

FORMS: Probation Department Equipment Request Form (Attachment A)

Annual Audit Checklist (Attachment B)

PURPOSE: To outline uniform criteria for use and issuance of Probation-marked field

jackets/polos.

GENERAL INFORMATION

A. Field jackets/polos to identify probation officers in field activity situations are available to authorized staff for use as supplemental equipment in field activities.

- B. Field jackets/polos are advisable when staff participate in field activities involving suspected extraordinary risks, such as when teaming with law enforcement for search and seizure and arrests.
- C. Deputies are not expected to place themselves in any situation which presents an unreasonable degree of peril to their lives or health, whether or not protected by available safety equipment, and if unexpectedly placed in such a situation should withdraw from the situation if possible.
- D. Each employee who uses a field jacket/polo is responsible for the proper care of the departmentally issued property.
- E. When conducting field enforcement activities and probation staff are wearing Probation-marked clothing (field jackets and/or polo shirts), probation officers will wear body armor.

II. PROCEDURE

- A. Probation-marked field jackets/polos are to be obtained via a Probation Department Equipment Request form through the designated chain of command.
- B. Once a probation-marked field jacket/polo is issued, they will be visually verified by the staff's supervisor as part of the annual equipment audit.
- C. When the probation-marked field jackets/polos are not in good repair, staff will request a replacement via the Probation Department Equipment Request form.
