- AUTHORITY:** Administrative Directive  
Welfare and Institutions Code Section 707.1  
Orange County Superior Court Uniform Bail Schedule
- RESCINDS:** Procedure Manual Item 3-2-036, dated 06/13/18
- FORMS:** Order for Release  
Bail Receipt from Court of Jurisdiction  
Release Authorization (F057-6226)
- PURPOSE:** To establish a criteria and procedure for youth who have posted bail, have been charged with a 707 WIC offense and have been found unfit for Juvenile Court.

### I. GENERAL INFORMATION

- A. Youth charged with a 707 WIC offense **that have** been found unfit for Juvenile Court proceedings (707.1 WIC) may be eligible to be released on bail. These youth are generally housed in a maximum-security Unit (Unit T or Unit A) at Orange County Juvenile Hall.
- B. The Juvenile Court is required, at the time the youth is found unfit, to set a bail amount or deny bail. Within three days of the fitness hearing, the District Attorney must file the complaint in Adult Court. The youth is then arraigned, and the adult court again establishes a bail amount. The Court may deny, reduce, or raise the bail amount according to the Orange County Superior Court Uniform Bail Schedule rules of application.
- C. Bail releases will typically be initiated by a phone call from the parent or bail bondsman requesting directions as to how to go about affecting the release.
- D. For the youth to be released, the bail must be posted at the court where the youth is appearing.
- E. Under no circumstances will Juvenile Hall accept cash or process financial transactions for bail releases.

### II. PROCEDURES

- A. Court Ordered Release on Bail
  - 1. **Upon** accepting the bail, **the court** will issue paperwork in the form of an Order for Release indicating that the bail has been posted and that the youth is to be released. The paperwork will be transported or faxed to Juvenile Hall by the Sheriff deputies bringing the youth back from court. At times, the parent may arrive with the bail receipt before the order from the court, **in which case the** release must not occur until an Order for Release

and Bail Release Receipt **are** obtained by Juvenile Hall from the court or Sherriff deputies.

2. Juvenile Hall

a. The Juvenile Hall Booking Clerk will:

- (1) Review all Court Orders of youth returning to Juvenile Hall from court.
- (2) If a youth has been ordered released from custody, review the Order for Release and **Bail Receipt** and compare the case number on the paperwork with the case number on the adult court paperwork in the youth's file, making certain both numbers match.
- (3) Check the Integrated Case Management System (ICMS) to make certain the youth should not be detained on other court matters. It is entirely possible a youth may make bail, but at the same time remain detained on another adult or juvenile matter.
- (4) Notify the **Duty Officer (DO)** or Administrator-In-Charge (AIC).
- (5) After verifying the youth's release status through **both** ICMS and the **DO** or AIC, complete a Release Authorization form for signature. Notify the Control desk and Intake Release Center (IRC) of the pending release.

- (4) The **DO** will inform the **AIC** or administration staff of pending bail releases.

3. The Remand/Adult Court Clerk (or Duty Officer after hours) will:

a. Review the applicable court paperwork and **facility** file to confirm that the youth has been arraigned in adult court and that a bail

amount has been set. Bail releases will occur during the hours of **8:00 AM and 8:00 PM.**
