RESCINDS:	Procedure Manual Item 3-1-009, dated 06/13/18	
FORMS:	Religious Preference, Religious Follow-up and Parent Consent	(F057-9129)
	Religious Request	(F057-6008)
PURPOSE:	To outline departmental responsibilities in meeting the religious and spiritual needs of youth in Probation facilities.	

I. GENERAL INFORMATION:

- A. **Per Section 1372 of Title 15, the facility administrator shall provide access to religious services and/or religious counseling at least once each week.**
- B. A Religious Preference form is to be completed by every youth as soon as possible, after **their** entry into a facility.
- C. In the absence or failure of the parent or guardian to endorse the religious preference, the youth's wishes will be honored.
- D. On any occasion when the youth changes **their** religious preference from one faith to the other, a new form must be completed and the change must be endorsed by the youth's parent or guardian, if under the age of 18.
- E. If a youth has indicated "None" upon **entry**, and later wants to attend a service, the youth can fill out a new form indicating which **religious** service **they** would like to attend.
- F. Any participation by youth in weekly religious services must be voluntary, with no semblance of pressure or coercion by peers, religious VIP's or staff. No controversial or denominational doctrines may be advocated at the non-denominational services and no altar calls, open invitations by showing of hands or coming forward may be used at any service.
- G. It is the responsibility of staff, all professional clergy representatives and **volunteers** to ensure confidentiality and right to privacy issues, as well as strict observance of all rules of the facility.
- H. Any religious literature for distribution to the youth must first be approved by the facility **Assistant** Division Director or designee.
- I. Youth will be allowed to attend only the service indicated on the Religious Preference forms (i.e., youth who indicate a Catholic preference will attend

Catholic services, youth who indicate a Protestant preference will attend Protestant services, etc). YOUTH WHO SELECT MORE THAN ONE RELIGIOUS PREFERENCE WILL BE ALLOWED TO ATTEND ONLY ONE OF THE SELECTED RELIGIOUS SERVICES EACH WEEK.

- J. Each youth will be allowed access to the family's designated religious clergy for spiritual instruction, counseling or guidance. When no family religious clergy is designated, or when the family's religious clergy is unavailable, youth may request the services of a denominational religious clergy or may request the services of the facility's Protestant Chaplain/VIPs, or Catholic Chaplain/VIPs for instruction, counseling or guidance.
- K. If a youth or **their** family request the spiritual services of a denominational religious clergy, the facility **Assistant** Division Director or designee will attempt to schedule such services from denominational representatives who have indicated their willingness to serve in that capacity. Upon written request and verification, staff will arrange such services as directed by the Division Director.
- L. Parents/legal guardians may indicate their willingness for their child to have continuing contact with the religious clergy that provided services to their child in the juvenile facility following the child's release from custody by documenting their consent on the Religious Preference, Religious Follow-up and Parent Consent form (F057-9129).
- M. A youth shall be allowed to participate in an activity outside of their room if **they** elect not to participate in religious programs.
- N. **A religious diet requested by a youth will be accommodated and monitored by facility staff and the facility Chief Cook.**
